### TO WHOMSOEVER IT MAY CONCERN

We are Goenka & Associates Medical & Research Centre (Gokuldham Medical Centre) Mumbai, India. We have been using the Birla Medisoft Quanta V3.0 HIMS system at our Centre for the last 7 years. We are a Public Charitable Trust providing Day Care Quality Diagnostic, Therapeutic & Consultation Services for last 27 years. We find the Quanta HIMS system useful for our Centre. It's a simple-to-use and user-friendly design. Quanta Hospital Management system can be useful to others.

Dr. (Mrs.) Jyoti Abhyankar  
Chief Medical Officer
